SCARLET FEVER AND DIPH-THERIA INCREASE.

Although the weekly report of the department of health, issued yesterday, shows a decrease in the number of contagious diseases reported, this condition is due almost entirely to improvement in the measles epidemic. were only 86 cases reported, which is 39 fewer than during the previous week. Of this number only 56 were measles, which is considerably under the average for that disease during the past two months.

There appears to be no decrease in scarlet fever and diphtheria. There W. H. Clark and J. F. Conrad Also were 19 cases of the former and 7 cases of the latter reported. It is with these diseases that the department must really contend, as they are by far the most dangerous to the community. Two cases of typhoid fever, one of pneumonia and one of chicken pox were also reported.

The births reported numbered 32, and there were 45 deaths. Of the births, 18 were males and 14 males, and of the deaths, 29 were males and 16 females.

There remained at the end of the week 53 houses quarantined on account of scarlet fever. This is an increase of 14 over the record of the week before. Twelve houses remain in quarantine on account of diphtheria, and there are four cases of smallpox at the isolation

Pimples Stopped In 5 Days

Every Possible Skin Eruption Cured in Marvelously Quick Time by the New Calcium Treatment.

Bolls have been cured in three days, and some of the worst cases of skin diseases have been cured in a week by the wonderful action of Stuart's Calcium Wafers. These wafers contain as their main ingredient the most thorough, quick and effective blood cleanser known, calcum sulphide.

Most treatments for the board of directors.

ONE BUILDING PERMIT.—But one building permit has been issued from the office of the city engineer since the first of the year. The single permit was issued to Ellen J. Williams for the erection of a five-room frame cottage on Twentieth street, between Wall and Pacific avenue, to cost \$1,125.

VACCINATING CHILDREN (18)

Most treatments for the blood and for skin eruptions are miserably slow in their results, and besides, many of them are poisonous. Stuart's Calcium Wafers contain no poison or drug of any kind; they are absolutely harmless, and yet do work which cannot fail to surprise you. They are the most powerful blood purifier and skin clearer ever discovered, and they

never derange the system. No matter what you suffer from, pimples, blackheads, acne, red rash, spots, blotches, rash, tetter, or any other skin eruption, you can get rid of them long before other treatments can even begin

Don't go around with a humiliating, disgusting mass of pimples and blackheads on your face. A face covered over with

John to go stound with a huminating, disgusting mass of pimples and blackheads on your face. A face covered over with these disgusting things makes people turn away from you, and breeds failure in your life work. Stop it. Read what an lowa man said when he woke up one morning and found he had a new face:

"By George, I never saw anything like it. There I've been for three years trying to get rid of pimples and blackheads, and guess I used everything under the sun. I used Calcium Wafers for just seven days. This morning every bessed pimple is gone and I can't even find a blackhead. I could write you a volume of thanks, I am so grateful to you."

You can depend upon this treatment being a never-failing cure.

Just send us your name and address in full today and we will send you a trial package of Stuart's Calcium Wafers, free to test. After you have tried the sample and been convinced that all we say is true, you will go to your nearest druggist and get a 50c box and be cured of your facial trouble. They are in tablet form and no trouble whatever to take. You go about your work as usual, and there you are—cured and happy.

Send us your name and address today and we will at once send you by mail a sample package free. Address, F. A. Stnart Co., 175 Stuart Bidg., Marshall, Mich.
